Good afternoon, This is the crew for Saturday. The plan is to leave hazmat at 0800 and drive to the rally point in Butler. Bring what gear you will need to sustain for the duration. I will bring a lg cooler for the water but I would also suggest you pack something to eat. Butler talked about getting pizzas but that may sit heavy in the heat. Bring a folding chair and sun lotion is about all I can tell you. More than likely we are going to be tucked somewhere out of site. If you are driving because you'll have to leave, you can follow the bearcat or meet us at the Meridian FD 121 Sparks Ave. Meridian Pa 16001 at
