[Redacted]
Gentlemen,
We have been requested by Butler to assist with the Trump rally on Saturday at the Butler Fair grounds as QRF. It is probably going to be a 12 hr detail. Right now I am looking for 6 guys available. If absolutely needed we can split the shift.

3:39 PM

As of right now I do not need TEMS or CNT. Sorry guys. Please put this out and let me know what the response is.
